*"Experience the Quality"*

# DTR-3000 and DTR-3500

- All quality Delden hardware is hot-dip galvanized, including adjustable track, hinges, top and bottom fixtures and preformed aircraft-quality cable. Torsion and extension spring wire is tempered for long cycle life.
- Door sections are furnished with a baked-on polyester top coat over hot-dip galvanized steel.
- "Ruf-TEX" woodgrain finish simulates the beauty of real wood.
- Low-maintenance "finish" paint coating, available in 8 colors.
- Keyed lock system optional.

\*19.40 R-Value available in True White Short Panel, True White Flush Panel and True White Bead Board only.

## OPTIONS

### COLORS

Delden steel doors arrive pre-painted; for custom colors, exterior latex paint must be used. Ask your Delden dealer for instructions on painting.
